

# Service Crew

“You have so many gifts to offer the Church: your faith, your desire to serve, your spiritual hunger, your vitality, your optimism and idealism, your talents and skills. We can all learn from you, so we ask you to expand your leadership role in witnessing to the Gospel on campus. . . We look forward to working more closely with you to make the Church ever more effective in announcing the reign of God.” Letter to College Students from Catholic Bishops, 1995: Sons and Daughters of Light – A Pastoral Plan for Ministry with Young Adults.

We ask you to consider serving the youth of the Church by putting your gifts and talents to use in preparing for and working at the Steubenville North conference(s). “Service Crew”, our young adult’s mission of service team, will provide the “hands on” work throughout the weekend. This is a 3 day young adult’s mission of service and the cost is only \$115 which includes all meals, housing, 2 t-shirts, water bottle, and entrance to conference sessions!

This new program is for young adults ages 18 – 26, who would like to be involved in the conference, but may not be old enough to be chaperones with your group.

Service Crew members meet Thursday through Sunday at the Conference Site, with some special retreat time set up just for them. Service Crew helps with conference needs throughout the weekend while still participating in conference sessions!

## All Applicants Must Meet the Following Criteria:

- Be 18 – 26 years old (18 year olds must have graduated from high school in 2009)
