

Rise Up Twin Cities – 2020 Conference Policies

Participant Policy

Rise Up Twin Cities is a conference intended for middle school aged youth. Therefore, youth participants must be currently enrolled in at least 6th grade in order to attend. If your group utilizes high-school aged leaders in your program they are welcome to attend. All participants, including Chaperones, must have a paid ticket.

Chaperone Ratio Requirements

Groups are required to bring a minimum of 1 chaperone (aged 21+) for every 6 youth (under 18). Groups must have at least 1 male and 1 female chaperone if they have both male and female youth, family groups excepted.

Adult Safe Environment Requirements

All adults (18+) must be in compliance with the USCCB Charter for the Protection of Children and Young People. Groups will be required to show that all adults in attendance are in compliance with the Safe Environment requirements of their home dioceses. A Partnership for Youth Verification Form must be submitted to the PFY office by Friday, March 6, 2020. If there are changes to your adult roster after March 6th, please bring an updated Verification Form to the conference.

Clergy Attendance

Partnership for Youth strongly encourages the clergy of your community to join your group for the conference. PFY must be notified in-advance of any bishops, priests or deacons planning to attend with your group. If attending from outside the Archdiocese of St. Paul and Minneapolis, a Letter of Suitability must be sent to the ARCHSPM, clearing them for attendance. Letters should be sent **no later than February 21st, 2020, to:**

Archdiocese of St Paul/Mpls
Attn: Susan Mulheron
Chancellor for Canonical Affairs
777 Forest St.
St. Paul, MN 55106

As a “thank you” to any bishops and priests in attendance and in exchange for their willingness to hear confessions during the conference, we offer a 50% discounted ticket of \$30 which can be purchased at the time of registration. Clergy tickets are non-refundable, but their value may be transferred to a participant ticket at any time.

Inclement Weather

In the instance that inclement weather threatens to impact the conference, the following policies apply:

- It is up to every individual group to determine if it is safe to travel to the conference.
- No refunds will be issued for groups that choose not to attend the event.
- Partnership for Youth (PFY) will make every effort to hold the conference as scheduled and will communicate any changes to all registered groups.
- Unless required by government agencies or the venue, PFY will not cancel the conference once it has begun. If the conference must be canceled for this reason, PFY will not refund registration fees for the event.

If, prior to the conference start, it must be canceled or rescheduled, registered groups will be offered the option to attend at a rescheduled date or receive a refund of their conference registration fees. PFY is not responsible for any additional expenses the group may have incurred outside of conference registration fees paid to PFY.
