**Pastor or Administrator's Signature on Adult Chaperones and Young Adults:**

I certify that based on a review of our records, the adults listed below have satisfied the safe environment procedures for our diocese as required by the Charter for Protection of Children & Young People. We maintain documentation to show completion of procedures for each adult and to the best of our knowledge, there is nothing in the background of any adult listed which would disqualify them from engaging in volunteer activities that include minor children.
